Dragi otroci,

poletje je pred vrati in z njim čas igre, smeha in novih doživetij. Toda letošnje poletje je za vas še posebej posebno, saj boste jeseni prvič prestopili šolski prag.

To je velik korak in pomemben mejnik v vašem življenju, ki vam bo prinesel veliko novih prijateljev, znanj in izkušenj.

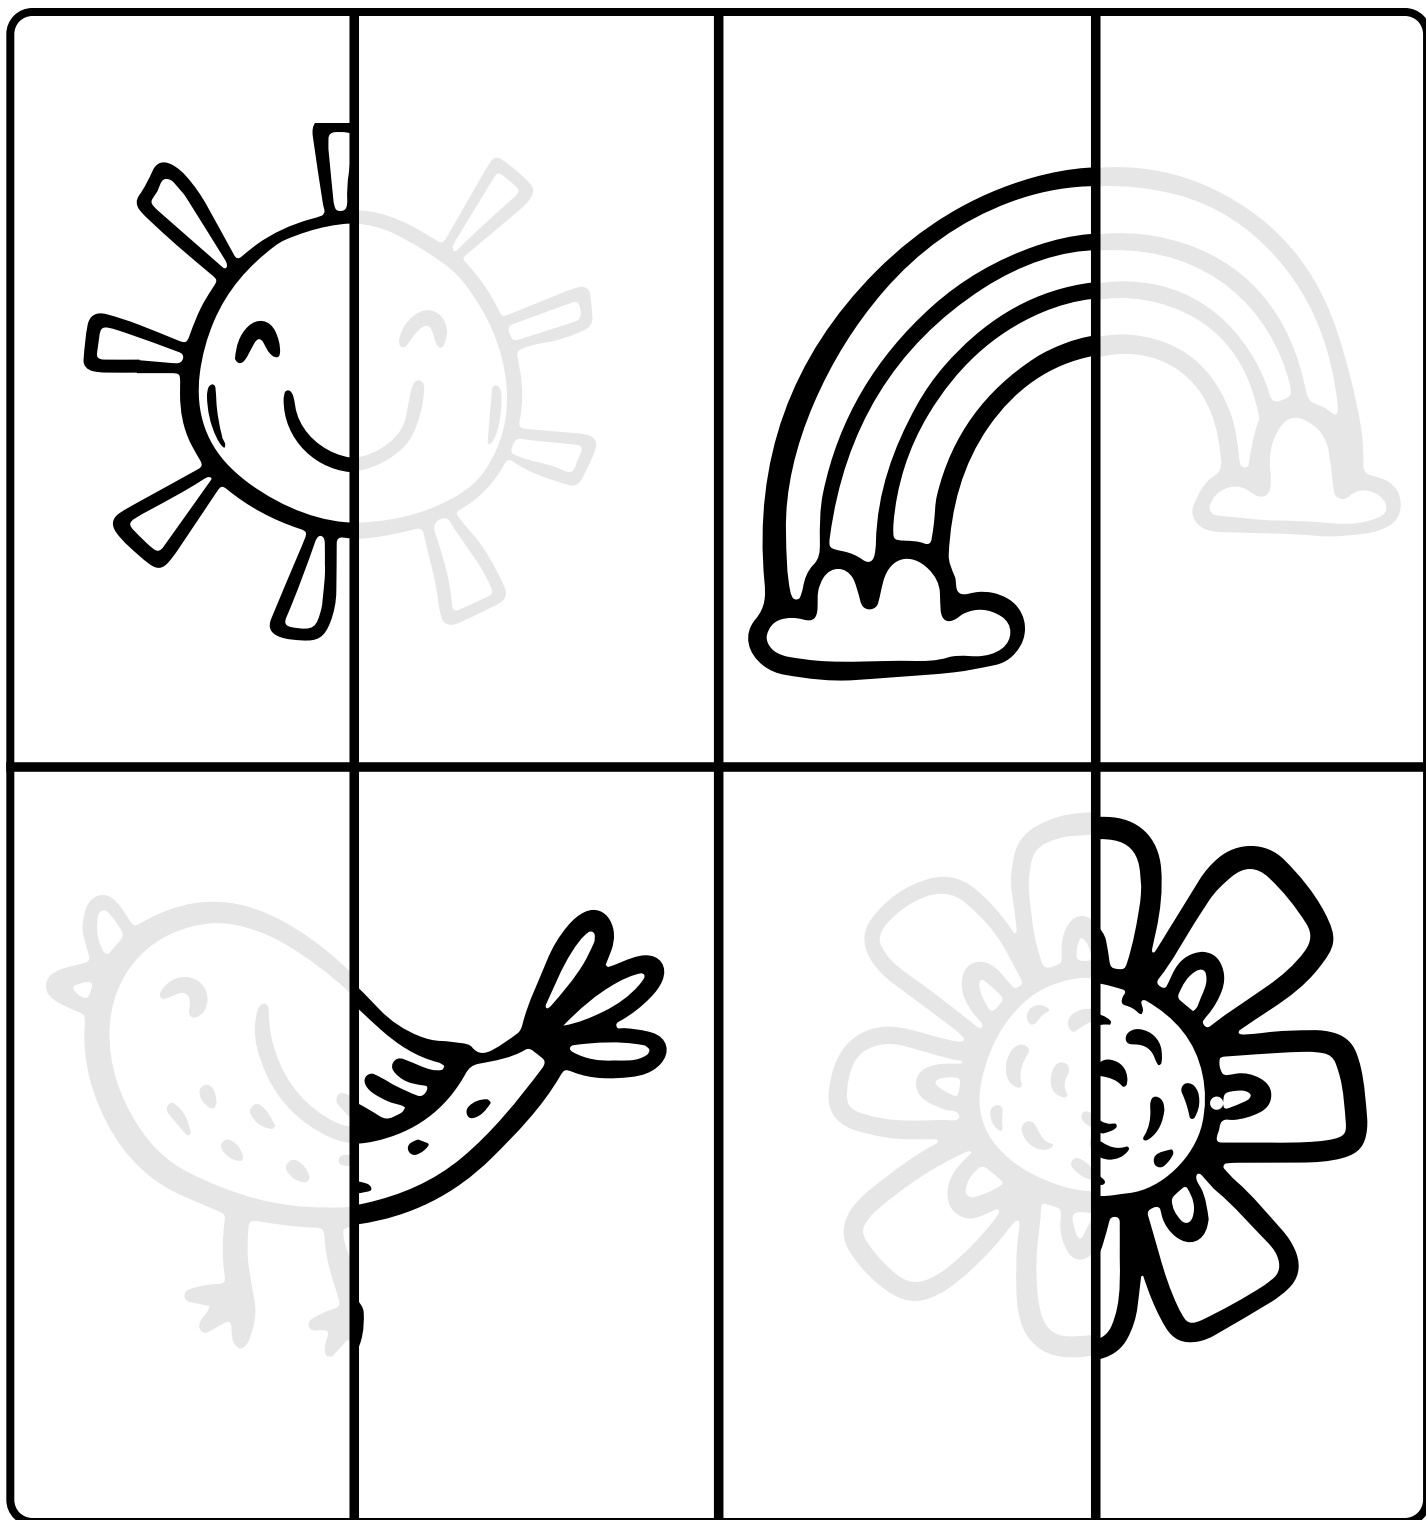

V tem Poletnem kratkočasniku smo za vas zbrali različne naloge, ki vam bodo pomagale, da se bolje pripravite na vstop v šolo. Upamo, da se boste ob njihovem reševanju zabavali in se hkrati naučili kaj novega.

Pomembno je, da v tem času uživate, raziskujete in se veselite novih izzivov, ki jih prinaša šolsko leto.

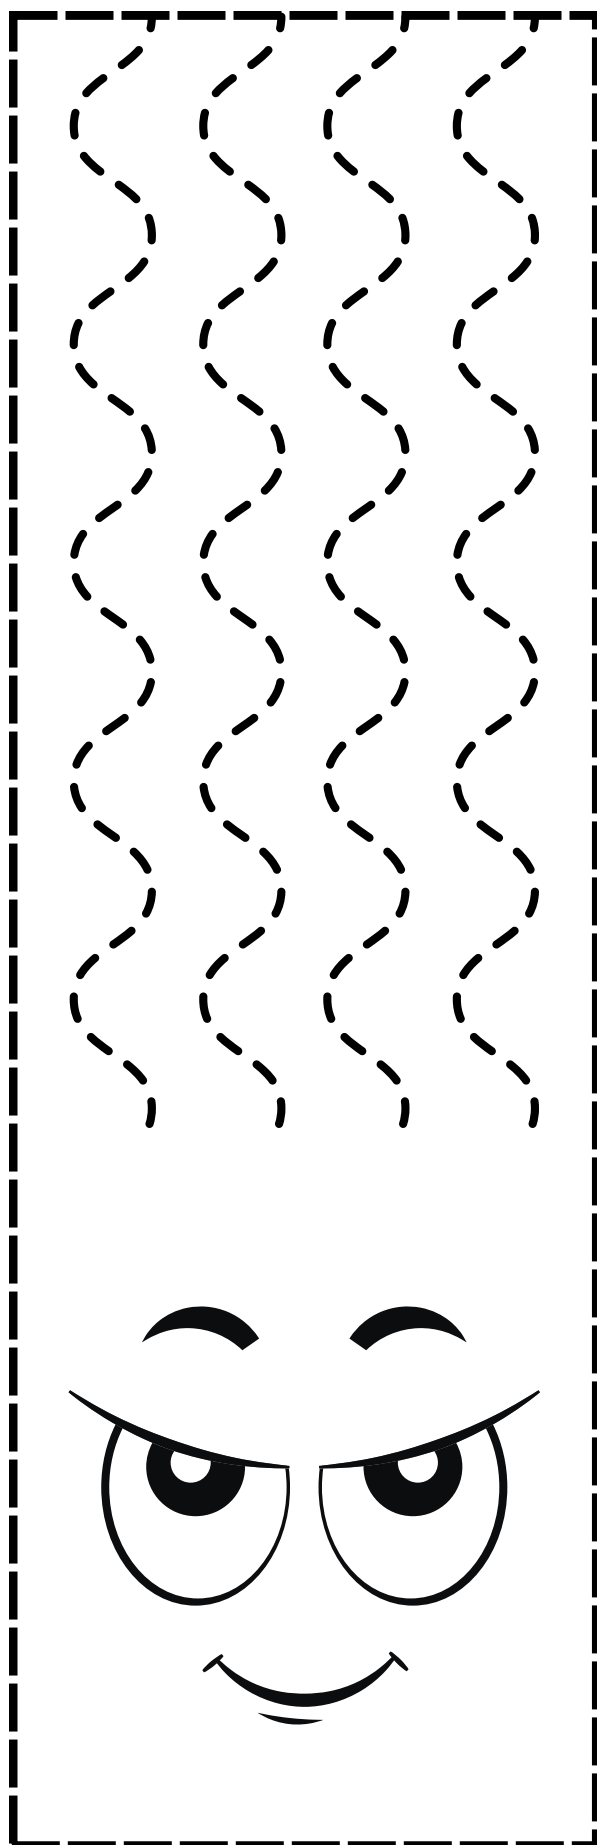

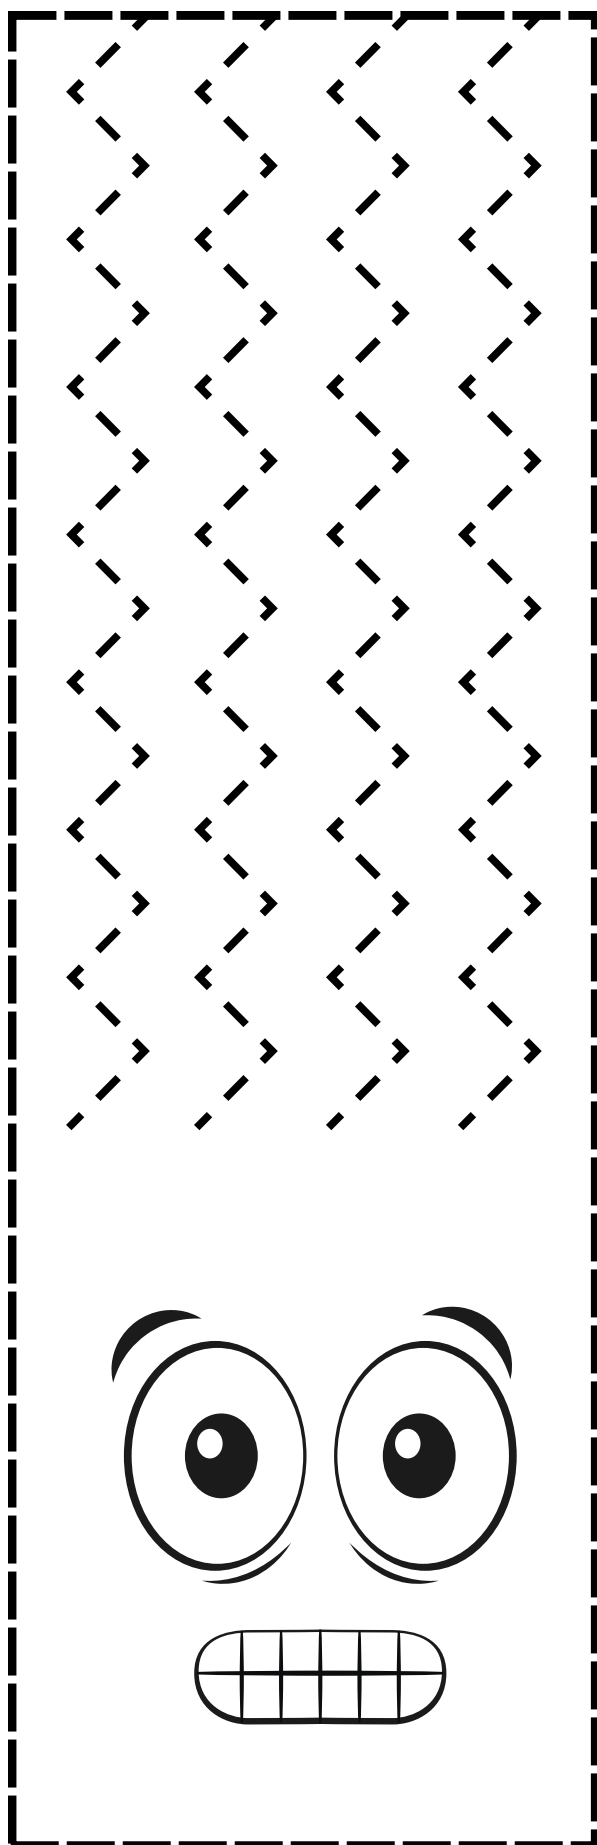

Želimo vam lepo poletje in uspešen začetek šolskega leta2024.25!

S prijaznimi pozdravi,
Ksenija Žuman, ravnateljica vrtca Ljutomer
in zaposleni Vrtca Ljutomer
